
Can\'t figure out where to put the actual question

Posted by uz63k - 2010/01/08 03:49

Hi I cant figure out where exactly i have to create my question using Ari Quiz Lite. I've created the quiz, quiz category, question template, quiz category but cant figure out where to make the question itself any help would be appreciated

Hello,

For managing quiz questions click 'Questions' link for appropriate quiz in quizzes data grid on 'Quizzes' page.
