## question import from ms-excel

Posted by amitvns04 - 2013/11/05 05:11

---

can i import question and answers from an ms-excel file.

I have a huge number of questions in my ms-excel file with four optional answer and a right option

=====

Hello,

"ARI Quiz" supports ability to import questions from CSV file. You can find the link to sample CSV file here.

PS: This feature is not supported by "ARI Quiz Lite".

Regards,  
ARI Soft
