
Access (User Group) : Registered

Posted by aladdin - 2014/04/15 20:04

Hello,
Thanks for this component it is very helpful. I am using "ARI Quiz Lite" my problem is when I chose "Registered" to allow only registered who can access to the quiz the "Continue button" doesn't appear for those registered members, it's actually appear for "Super Users" only. how is that happened?.
BTW : if I changed all registerd users to Super users to be able to access to the exam, that is mean anyone can access to joomla administrator area.
Thanks for advanced.

Hello,

Could you provide a link to a page where we can see the problem and a temporary access to your J! backend by email so we can investigate it?

Regards,
ARI Soft
