
how to delete quiz results through sql queries?

Posted by adivikash - 2010/06/26 16:11

Can anyone tell me how to delete quiz results/statistics through sql queries? where to type queries??

I am using ARI Quiz Lite Found this great!!

Thank you

Hello,

Run the following SQL queries:

```
TRUNCATE TABLE jos_arquizstatistics;  
TRUNCATE TABLE jos_arquizstatisticsinfo;
```

Regards,
ARI Soft
