
Notice: Undefined variable

Posted by adri158 - 2015/02/02 15:14

Hello,

There is an error bellow Base Template in Text Templates:

Notice: Undefined variable: quizId in

```
E:\wamp\www\joomla\administrator\components\com_ariquizlite\templates\texttemplate_add.html.php on line 58 Call Stack #TimeMemoryFunctionLocation 10.0004249904{main}()..\index.php:0 20.03873365920JApplicationCms->execute()..\index.php:42 30.03873366448JApplicationAdministrator->doExecute()..\cms.php:251 40.08365698176JApplicationAdministrator->dispatch()..\administrator.php:159 50.08515760928JComponentHelper::renderComponent()..\administrator.php:98 60.08985789032JComponentHelper::executeComponent()..\helper.php:332 70.09005808896require_once('E:\wamp\www\joomla\administrator\components\com_ariquizlite\ariquizlite.php')..\helper.php:352 80.09045862576require_once('E:\wamp\www\joomla\administrator\components\com_ariquizlite\admin.ariquizlite.php')..\ariquizlite.php:13 90.10867312872AriTaskManager::doTask()..\admin.ariquizlite.php:54 100.10927353952texttemplate_addAriPage->execute()..\class.TaskManager.php:123 110.12307725096AriAdminQuizPageBase->execute()..\texttemplate_add.php:32 120.12307725168AriPageBase->execute()..\class.AdminQuizPageBase.php:34 130.12347753592require_once('E:\wamp\www\joomla\administrator\components\com_ariquizlite\templates\texttemplate_add.html.php')..\class.PageBase.php:45 " />
```

If I add a new Template, the error is same. Can you help me what is this?

I am using Joomla 3.x

Hello,

Download and upgrade the component. It should help.

Regards,
ARI Soft
