
Customize Result page

Posted by adolcini - 2015/09/02 21:36

Hi I'd like to customize Quiz lite result page and I need to insert an iframe inside the result page.
is it possible insert an iframe in the result page ?

if yes there some specific step that I have to follow ?

Thanks
Andrea

Hello,

You can modify /components/com_ariquizlite/view/quiz_finished.html.php template file.
