## how to publicise my quiz

Posted by Ewelina - 2016/05/03 21:26

---

Hi,

I have created my quiz but I have no idea what I should click to upload it. I want to have a quiz below the article. Help me please

Hello,

If you want to create a link to a page with quizzes on frontend, open Joomla! menu manager and create new menu item type with type "ARI Quiz Lite -> Quiz List layout".

Regards,  
ARI Soft
