
Start Slide when changing pages

Posted by Ralf R. - 2014/02/19 15:18

Hi Overthere,
thanks a lot for your great extension. I've got one question though: can the slider continue the slides also when navigating from one page to another instead of restarting with every page-load?

Regards, Ralf.

Hello,

The extension doesn't support this ability.

Regards,
ARI Soft
