
Need to increase number of slides offered

Posted by raholt - 2015/06/01 23:00

Hello,

I need to Increase number of slides offered. It only goes up to #20. How can I add another 10 or 15 so the total is 30 or 35?

Thank you,

Ron

Hello,

It requires modification of /modules/mod_arislider/mod_arislider.xml file. See the following parameters:

20

if want to add item #21, add the following parameters:

21
