## Change width of the slider

Posted by ori - 2015/12/25 18:21

---

Hello, I need to change the width of the slider as you can see in the screenshot. How do I do that?

Thanks  
Ori

Hello,

Could you provide a link to a page with the slider?

Regards,

Width of the slider can be set in module settings. See "Width" parameter. For example set it to 550 value.
