Pause on mouseover

Posted by bryanbgdwebcom - 2011/08/31 21:24

_____

Is there a simple way to make the slider pause while the cursor is over (hover) an image when the module is set to cycle.

That would be great!

_____

Hello,

Download and upgrade "ARI Slider" module. "ARI Slider" v. 1.7.9 contains new parameter called "Pause on hover".

Regards,
ARI Soft
