link inside article

Posted by apelius - 2013/08/06 09:30

_____

Hello! i'm using arislider 1.9.3 module and joomla 3.1.5, How could i do the following;
I make link inside article which has to be linked to one of the navigation page inside the module.

Link is now linked to one specific article but when i click it nothing happens. What i'm missing?

_____

Hello,

Send a link to a page where we can see the problem and your order number by email please.

Regards,
ARI Soft
