## Where's the documentation for the plugin?

Where's the documentation for the plugin? I need to place an image gallery inside an article. I've downloaded and installed & enabled the entire ARI Sexy Lightbox package, but were do I find the syntax on how to set it up in an article?

Thanks!

Hello,

Documentation is available in "Description" field on plugin settings page:

<http://www.ari-soft.com/images/fbfiles/images/lightbox-80c8a664fc78289d1bea8338167d65c2.jpg>

You can also find it in attach:
