How to modify template in lightbox?
Posted by raidnet - 2011/05/12 08:56
_____

Hi,
I would set a clear and transparent lightbox template (no White background - no black background).
I'm using the ARI module and I'm calling a single image into a custom modules.
I would see my image on the dark-gray semitransparent screen, with a very little close link on right top corner.
thanks

Hello,

Could you provide screenshot where we can see how it should look?

Regards,
ARI Soft

_____

Here it is,
The position of the close button is not important, this is an on page load modal popup so I can close it onclick

_____

Add the next CSS rules to site template file:

#SLB-Wrapper #SLB-Contenido
{
 border-style: none !important;
}

#SLB-Wrapper #SLB-Top
{
 background-image: none !important;
}

#SLB-Wrapper .SLB-SlideShow #SLB-TopLeft,
#SLB-Wrapper #SLB-Bottom
{
 display: none !important;
}

_____

As you can see looks like it's not enough

Live view

there is also an inline style with a background color, but I dont' know in which file

thanks for the quick reply

_____

Add also the next CSS rules:

#SLB-Wrapper #SLB-TopLeft {
 display: none !important;
}

#SLB-Background
{
 background-color: transparent !important;
}

#SLB-CloseButton
{
 margin: 0 15px !important;
}

#SLB-Wrapper #SLB-Top
{
 height: 16px;
}

Regards,
ARI Soft

_____

Hi,
the suggested enhancement was very usefull, now I would like to show a picasa gallery but I have no navigation button.
How I could insert into the above code two lights and not invasive arrows like that of fancy-box ?
thanks

_____

Hello,

Could you provide link to page where lightbox is used and screenshot how it should look?

Regards,
ARI Soft

_____

Thanks for the quick reply.
If you don't mind I have another question for you.
About the previous setting, how I could have only the prev and next button like the fancy black theme, but with no
borders ad background?
thanks again
luc

_____

Do you want to show next and prev button from fancy black theme under the lightbox without borders and description?

Regards,
ARI Soft

_____

Try to use the next CSS rules:

```
body #SLB-Wrapper.sexy-theme-fancy #SLB-Navegador #SLB-Caption
{
 display: none;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-Bottom.SLB-bbnav
{
 bottom: -60px;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-Top
{
 display: none;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-Contenido
{
 border-style: none !important;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-Top
{
 background-image: none !important;
}

body #SLB-Wrapper.sexy-theme-fancy .SLB-SlideShow #SLB-TopLeft
{
 display: none !important;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-TopLeft {
 display: none !important;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-Background
{
 background-color: transparent !important;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-CloseButton
{
 margin: 0 15px !important;
}

body #SLB-Wrapper.sexy-theme-fancy #SLB-Top
{
 height: 16px;
}
```

_____

This problem with custom CSS rules which you entered before. Add the next CSS rule:

#SLB-Wrapper.sexy-theme-fancy #SLB-Bottom
{
 display: block !important;
}

Regards,
ARI Soft

Posted by raidnet - 2011/06/14 13:19

_____

OK, and now How I can change the arrows buttons images?
I dont't find the file, I see only one file:
/modules/mod_arisexylightbox/includes/js/sexyimages/fancy_black/bgSexy.png
