
float set to center

Posted by Partizan - 2011/06/18 08:44

hi,
I need set image float from right to center in the ARI sexy thumbnails , I set to center in the editor but in the page always show in the right position ,
.. how do this B)

Forgive me if I ask too much
I think last night you got tired
Thanks for your great support. ;) <http://www.ari-soft.com/images/fbfiles/images/3.png>

Hello,

Provide link to page where we can see the problem. It can be a problem with site template styles.

Regards,
ARI Soft

Add the next CSS rule:

```
A.sexythumb
{
  text-align: center;
}
```

Regards,
ARI Soft
