
ARI slick Gallery + ARI sexy lightbox

Posted by skyfredo - 2011/06/28 22:42

Hello

I would like create a photo gallery with Slick Gallery and i would like the photos appears in sexy lightbox.

I choose in slick gallery Lightbox integration > ARI sexy lightbox, but it doesn't work.

I think all it's installed.

Thanks for your answer.

Fred

Sorry for my english.
