
Remove caption

Hi,

Like to know how to remove the caption, because it blocks my controlpanel when playing video's in lightbox. Also want to remove the white border on the top.

Thanks in advance. <http://www.ari-soft.com/images/fbfiles/images/ari-b42aa2f1aa45d6247509dabdc67e2d6d.jpg>

Hello,

Do you use the module or plugin? If you use the plugin, specify what code do you use. About caption, you can change lightbox theme that video player controls will be available.
