
Sexy LightBox displayed real badly

Posted by doronm - 2011/08/07 13:19

Hi,
I've installed and try to go with the example in the plug:
(displaying youtube video)
From some reason it looks real bad.
floating to the left and in the center white background.

this is the link:

http://executivemba.co.il/joom/index.php?option=com_content&view=article&id=21&Itemid=21

any ideas ?

Hello,

This problem with site template. Your site uses RTL language, but site template doesn't set appropriate Joomla! parameter. You can fix site template or add the next CSS rule to a site template CSS file that fix the problem:

```
#SLB-Wrapper{direction:ltr}
```

Regards,
