## No horizontal scrolling in PDF

Posted by dom1706 - 2011/09/07 07:27

---

Hello,

I've inserted a pdf and when using the icons to zoom +, I'm not able to scroll horizontally because the scroll is behind the black bottom with the title.

What can I do ?

Best regards.

Dominique,

Hello,

You can change "Fancy" lightbox theme to any theme.

Regards,

ARI Soft
