
Sexy lightbox in IE8 without \"compatible view\"

Posted by jvandeweyer - 2011/10/20 20:06

Can anyone tell me why the lightbox is at the wrong place.

Example:

<http://www.ari-soft.com/images/fbfiles/images/screen-c86f40755a2eba419c90a6839e03a932.jpg>

the link to the site is:

Hello,

The lightbox is shown fine in IE 8 for us on provided page.

Regards,
