
[solved] My Issue

Posted by maxmmize - 2012/07/12 18:15

Hello,

Thank you for a wonderful product. I have an issue with an image as link to external content. I would also like to donate as I have not purchased from you in some time. You deserve it.

EDIT: Come to find out, even after 13 years, it's my fault, I didn't check my cache. It was causing issues on my browser. I'm so embarrassed for wasting your time.
