
How can I download version for 2.5

Posted by codymham - 2012/08/09 17:51

Hi,
I downloaded this originally for one of our Joomla 1.5 sites. Now I need the 2.5 version. How can I download this?

Hello,

The latest version of the extension is always available in "Member Area" on our site. The extension supports Joomla! 1.5, 1.6, 1.7 and 2.5.

Regards,
ARI Soft
