Problems with pic-frames using IE

Posted by bs_twinbits - 2012/08/11 16:38

_____

Hello,
I have problems with broken picture frames arround my pics, using ARI Sexy Lightbox together with ARI Cloud Carousel only in IE. In Safari and Firefox all is fine.
Regards Bernd

It seems this is a problem with /templates/as002035/scripts/curvycorners.src.js script which is loaded by site template.

_____

Remove it from site template because it is used incorrectly or contact site template developers so they fix the script.
