Halo, is it possible to use ARI SExy Ligtbox Anywhere plugin in VirtueMart, on category information page? I want to show product images, but it works only in Joomla articles, not in VM...
I have Joomla 1.5.26 and VM 1.1.9
thanks for answer

Hello,

Set "Mode" parameter to "Anywhere" in "System - ARI Sexy Lightbox Anywhere" plugin settings.

Regards,
ARI Soft
