Need Assistance Removing Icons
Posted by aaroninbna - 2013/06/01 17:07

_____

I need to remove the print and download links from the top of the sexylightbox for my pdf files.

I use this script and not as a module.
[example:

Thank you in advance,
Aaron

_____

Hello,

The extension doesn't any "print" and "download" links for PDF documents. It seems they are by extension which is loaded PDF files. Could you provide a link to a page where we can see the lightbox with a PDF document?

Regards,
ARI Soft
