How change color borders lightbox??

Posted by troken - 2013/06/02 12:01

_____

Hello again
I need change color in borders of lightbox, but can not find the file where the change of the current change black.
You can see it in
http://www.cpereira.com/web/principales-clientes-cinematografia-pereira-en-la-peninsula
When they click on the map.
Thank you very much for your help

_____

Hello,

It seems you have changed borders color. Is it correct?

Regards,
ARI Soft
