
Original size if image not working

Posted by chakkaramole - 2013/07/21 16:09

```
{arisexylightbox activeType="inlineimg" thumbWidth="250" keepSize="1" }
```

```
{/arisexylightbox}
```

Hello,

Describe in more details what problem do you have and where we can see it?

Regards,
ARI Soft

Use the following plugin code:

```
{arisexylightbox activeType="inlineimg" thumbWidth="250"}
```

```
{/arisexylightbox}
```

Regards,
ARI Soft
