## arisexythumbnails plugin - not working?

Posted by crazyhorse - 2014/06/03 16:22

---

If I enable arisexythumbnails plugin -- only the alt text is displayed on the site as a hyperlink to the image in a pop up. If I disable it then the picture displays in line but doesn't have a pop up... I am probably doing something stupid.. please help!

Hello,

Where we can see the problem?

Regards,  
ARI Soft
