Cannot get to work

Posted by empcrepair - 2014/10/02 01:05

_____

I have sexy light box installed and published but cannot seem to get it working On this page. I have this same plugin installed on another older Joomla version 2.x and works fine but can't seem to get it working on Joomla 3.x, Thanks in advanced for any help, James

_____

Hello,

404 error occurs when we try to open the page.

PS: Send your order number by email please.

Regards,
ARI Soft

_____

http://idea-ob.net/index.php/product-categories/id-card-printers/hid-fargo-id-card-printers/hid-fargo-c50-printer

is the correct link and its working fine now... sorry to bother you and thanks for the quick response.
