How to delete 2008-2010 Flowplaye text
Posted by consultnet - 2014/12/29 18:29
_____

Hi,
in every lightbox I can see a text "c 2008-2010 Flowplaye". How can I delete this?
Thanks,
Uwe

Hello,

It is shown by FlowPlayer because a free version of the player is used. It can be removed if use a commercial version of the player. Currently we are working on a new version of the extension which will support an alternative player.

Regards,
ARI Soft
