
Weird YELLOW and DOTTED BOX using SHADOW TEMPLATE

Posted by alexs - 2013/04/05 19:37

Hello everyone!

I'm hoping someone can be of assistance. I'm using the Shadow Template from the Pretty Photo plugin. I'm getting a weird YELLOW BOX and a dotted line between every other thumbnail. (please see the attached JPG file. I've increased the contrast so that you can see what I'm talking about.)

I've gone through the two prettyPhoto.CSS files trying to identify the codes controlling the two elements however I've not been successful.

Would anyone know how I could go about removing the yellow box and the dotted line?

Thank you! Thank you! Thank you! http://www.ari-soft.com/images/fbfiles/images/Untitled_1-3ef17ab90c2b9c40a3eb180424f29250.jpg

Hello,

Send your order number by email please and a link to a page where we can see the problem. It can be a problem with site template styles.

Regards,
ARI Soft
