ARI Fancybox Anywhere displays the \"Active Type\"!
Posted by susanp - 2015/02/07 05:42
_____

Hi, Support,

I am using ARI Fancybox Anywhere to display Joomla Articles in Fancyboxes using the directive:

{arifancybox activeType="article" opt_width="800" opt_height="600" id="40" link="Movement of Consciousness (30-06-2007)" title="Movement of Consciousness (30-06-2007)"}{/arifancybox}

As you can view on the attached screenshot, the word "Articles" appear on the top left side of the Fancybox! Could you tell me how to remove this text please?

Thank you http://www.ari-soft.com/images/fbfiles/images/2015_02_07_105226.jpg

Hello,

It is shown by Joomla! If you want to remove "Articles" label, open /language/en-GB/en-GB.ini file and replace the following text:

JGLOBAL_ARTICLES="Articles"

with the following one:

JGLOBAL_ARTICLES=""

Regards,
ARI Soft
