
hyperlinks

Posted by retamoza - 2012/03/01 17:01

There is a tutorial to add hyperlinks to each image of imageslider? I read about csv files. I have no idea how to create hyperlinks and according to the pictures and where to insert it. I am new to this.

thank you!

Hello,

Do you mean "ARI Image Slider" or "AR Image SlideShow" extension?

Regards,
ARI Soft
