
Shaddow/Border

Posted by jambajamba - 2013/01/16 10:44

Hi

First of all, great extension.

Quick question from my website. Is there a way i can remove the border/shadow please?

Thanks

(ANSWER IS put the following code in template.css

```
{  
-moz-box-shadow: none;  
-webkit-box-shadow: none;  
box-shadow: none;  
}  
.nivoSlider
```
