Nav Arrows Not Working or Showing

Posted by snowrat - 2015/07/04 09:35

_____

Hi

I am working on a site and cannot get the navigation arrows on each slide show to work.
I have uploaded the site to a test area so you can see it... http://paragonoak.samsaraweb.com/

_____

Hello,

Send screenshot(s) of module settings page by email.

Regards,
ARI Soft
