lightbox on frontpage? Posted by alexandar2304 - 2011/12/15 14:27
Hi, i am new here and I have a problem with this plugins. I have joomla 1.7 and JCE editor How I can insert popup on my frontpage.
Also, i am create article and category with someone name and insert in html this:
but nothing is not happened on my site
but nothing is not happened on my site.
Please can you help me how I can settings this module on my frontpage like popup screen.
Tnx!
Re:lightbox on frontpage? Posted by admin - 2011/12/15 14:28 Hello,
Provide a link to a page where you try to use provided code.
Regards, ARI Soft
Re:lightbox on frontpage? Posted by alexandar2304 - 2011/12/15 15:16 i am sent link on e-mail :)
