i, thanks for the fast response.
tp://www.eurostandard.com.mk/index.php
nd on the bottom on the right you sill see !!, this is the dummy link.
nanks, @
de:Not working on Joomla 1.5
ARI Sexy Lightbox Lite" is a content plugin. Joomla! uses content plugins only in articles, it will not work in any other ontent (for example in module and etc.). "System - ARI Sexy Lightbox" plugin from "ARI Sexy Lightbox" package can ork in any content.
