
Amazing plugins, only 1 question

Posted by sauerlu - 2016/02/08 18:05

Dear sirs,

thanks alot for your amazing plugins. I'm testing some free plugins of yours, because maybe i'm intrested to by one or the other plugin.

Actually I've installed your ARI Sexy Lightbox Lite but i'm having the following problem (please see attachement)

Can you please help me to fix that?

Thanks a lot for your support.

Hello,

Could you provide a link to a page where the problem occurs?

Hello,

This problem with site template styles. Add the following CSS rule to fix the problem:

```
#SLB-Image {padding-bottom:0}
```
