## Quick questions about this great plug-in

Dear Sir,

First, I would like to congratulate you for this great plug-in.

Second, I will purchase this plug-in for my project, but first I would like to know from you whether or not it will meet my requested tasks.

I am designing a game site on which users can earn some points by taking a daily quiz, and I would like to show only one question per-day (same question) per-user.

I would like to show this question on a certain module.

User can answer this question only once per-day. I.e. he/she should have an inactive submit bottom.

Hope these things will be doable through your great plug-in.

Again thank you very much for this great plug-in.
