Can i show the correct answer just when is wrong?

Posted by masclicks - 2011/04/25 23:45

_____

Can i show just the correct answer but only when the answer is wrong? and is possible to change the PHP in order to modify the table in the correct answer.
Thanks in advance

_____

Hello,

Do you mean correct answer which can be shown after user's answer immediately or on final quiz results page?

Regards,
ARI Soft
