
source code provided or not

Posted by abhishek - 2008/08/11 14:52

hi
please tell me if i download the ari quiz will u provide me the source code?
is it customizable me i change that as per my needs and make any ammendments.

Hello,

The source code of the component is obfuscated. If you want some modifications or changes you can contact us in regard to custom development.

Regards,
ARI Soft

This depends on your requirements. The component is evolving, we are adding new features every new release. After the purchase the customers get 1-year free updates. If you need specific customization please send us you requirements and we will make an estimation.

Regards,
ARI Soft
