Problem in IE9 with D&D Correlation Question

Posted by 121261 - 2011/07/02 09:40

_____

Hi there

You cant move the correct answers in IE9

Using the D&D Correlation Question

In Firefox,Chrome there is no problems

Please advise.

Regards
Bison

_____

Hello,

Download and upgrade the extension please (just install updated extension over installed one through standard Joomla! installation page). It should help.

PS: If it doesn't help, clean browser's cache.

Regards,
ARI Soft
