Time dont work!
Posted by 121261 - 2011/07/05 14:27

_____

Hi there

have set Question Time : to 45

but no time countdown shows....

Please advise.

regards
Bison

_____

Hello,

Where do you set the time: in quiz settings or question category settings? Do you complete previous quiz session and start new quiz session?

Regards,
ARI Soft

_____

Hi there
I empty the cache in both joomla and browser and now it works..

All is ok - This is Solved...

Nb. time is set i quiz setting...
