## Quiz Categories text

Posted by hptschupp - 2009/04/06 03:19

---

In a a QUIZ CATEGORY: I enter Title and short text in the editor.

Title shows up when I go to the first quiz overview page. But text from the editor (short description of the category) does NOT show up. How can I make the text showing up?

URL:[http://www.lukedanawedding.com/index.php?option=com\\_arquiz&Itemid=89](http://www.lukedanawedding.com/index.php?option=com_arquiz&Itemid=89)

Joomla: 1.5

Template: Wedding Template
