
Error in \"Show explanation\"

Posted by 121261 - 2011/07/11 18:33

Hi

Show explanation is set to ON in quiz

BUT explanation does NOT show on the 1.st question...

Have tried on several quizzes, with the same result..

Please advise

regards
Bison

Hello,

Could you provide link to quiz where we can see the problem and temporary access to your J! backend by email?

Regards,
ARI Soft
