
CSV Import Example?

Posted by spindoc99 - 2011/09/12 22:53

Am I missing something? How can I import if I don't have a Csv template to work off of?

Hello,

Link to sample CSV file can be found in "F.A.Q." page on the component backend. You can also find it in attach.

I try to import CSV file.

Type,"Question","Note","Category","Randomize","View","Answers","Score","Correct","Correct_1","Score_1","Case
Insensitive","Correlation"

SingleQuestion,"Paris is the capital of ?","Test Note","Geography",0,"Radio",,10,,,,,

,,,,,"Hungary",,,,,,

,,,,,"France",,1,,,

,,,,,"Switzerland",,,,,,

,,,,,,,,,,,,,

SingleQuestion,"Is Africa a continent? ",,"Geography",0,"Radio",,10,,,,,

,,,,,"Yes",,1,,,

,,,,,"No",,,,,,

,,,,,,,,,,,,,

Nothing imported!
please help me
