
incorect license key

Posted by teachen34 - 2008/08/25 19:15

i am ready to use Ari Quiz. I have it up and loaded on to my joomla site, but I can't use it because when i put the license key code in, i get an incorrect license key notification. Please help me resolve this problem.. thank you

Hello,

We've already sent you the support message by email. Please check it.

Regards,
ARI Soft
