
show results above 80 percent

Posted by payamomrani - 2011/10/24 23:44

i want show results in jomsocial profile that above 80 percent
its possible ?

just tell me which file should be changing

Hello,

Do you mean activity stream or data grid on profile tab with quiz results?

Regards,
ARI Soft

ARI Quiz plugin for JomSocial can show messages in activity stream and can add grid with quiz results as additional tab in profile. Do you mean messages in activity stream or results in additional tab? Could you provide a screenshot where we can see what results you mean?
