Help: Need extension of temporary license Posted by softwareqatestings - 2009/07/19 17:40
Hi,
I have used one temporary license for one of my site telecomfyi.com. The main reason was it is a dummy site and I asked some body to access it and upload all the question there. Then I wanted to download it thru export question and import it back to my main site.
The question upload it done but I cannot access the ari quiz any more since temp license has expired.
Please let me know how I can get the questions back.
Can you please extend the temp license for telecomfyi.com by another two days or so.
Thanks in advance Raj
Re:Help: Need extension of temporary license  Posted by admin - 2009/07/19 17:50  Hello,  Not a problem, you can find extended license in 'Member Area'.  Regards, ARI Soft
