Question....
Posted by teachen34 - 2008/08/26 18:19

_____

The quiz results are being shown on the right side of the page. But it is showing everybody's results, meaning that is a security problem, because some users put there last names in. How do i shut off those results but not keeping the individual results for the user.....?

_____

To hide this just disable appropriate module.

Regards,
ARI Soft
